3,400 Garments at Ingathering, Sets New Needlework Guild Record

All records were broken by the number of articles turned in at the annual ingathering of the Needlework Guild of America Thursday afternoon in the Salvation Army Headquarters, 75 Church st., when the total was announced as 3,400. This was nearly 400 more than for the previous high mark of 3,041 established last year. Junior groups, such as Girl Scouts and Brownies, contributed 600 garments toward the total.

One of the features was the memorial table for which garments were presented in memory of Mrs. George W. Goeller, a director for many years; Miss Caroline G. Atkinson and Mrs. Shierfield Myers, who were members for a long time.

Miss Miriam Myers, the president, greeted the members and their guests. Major Emily Eastwood, superintendent of the Wayside School for Girls, in Valley Stream, told of the activities of the school, and Major Ernest W. Newton outlined the history of the Salvation Army. Mrs. James Shaw was the soloist. Major Newton pronounced the benediction.

Miss Myers named a nominating committee comprising Mrs. W. W. Sutton, chairman, Mrs. W. W. Winship and Mrs. Walter Robinson. Mrs. Elizabeth Hulske presided at the tea table.
The juniors, numbering 200 Girl

Scouts and Brownies, under the chairmanship of Mrs. Sutton, had their inning the day before the ingathering, when they viewed the exhibits and received refreshments. Mrs. Edward J. Johannmann, vice-president of the Guild, was chairman of the ingathering.

Disaster Relief Plans Outlined at Committee Meeting

Dr. John W. Dodd Heads Group; Lutheran Church Is Center

Duties of the Disaster Relief Committee of the Freeport Red Cross Branch, headed by Dr. John W. Dodd, were explained at a meeting held in Christ Lutheran Church, the disaster relief center for the village. Cyril C. Ryan, director of Civilian Defense for Freeport, and Ralph Morris, director of the American Red Cross in Nassau County, were the principal speakers.

Dr. Dodd conducted a tour through the church showing the lay-out and facilities, and explained that in the event of a local disaster Christ Church had been designated as the Red Cross shelter and information center. Mrs. Howard B. Pehl, vice chairman, outlined the system of alerting members of the Disaster Committee and the duties of the registration and information subcommittee. Mrs. Robert Ensko spoke on the equipment of the shelter committee and the method planned for housing and caring for the victims of a possible disaster. Mrs. Albert H. Hammond told of the program of the Canteen Committee for feeding them.

Mr. Morris explained that the

Red Cross is a quasi-government agency with authority to assume responsibility for the relief of people suffering from disaster as stated in the Congressional charter issued by the U. S. Congress in 1905. He said that in a natural-caused disaster, involving five or more families, the American Red Cross is charged with the emergency relief of the victims, including food, shelter, clothing, medical care and other basic necessities of life.

He then stressed the little known facts of the Red Cross rehabilitation program, mentioning numerous disasters that have occurred, including the Rockville Centre train wreck. He cited cases where rehabilitation work has continued over a period of many years. Mr. Morris then said that in the event of a disaster occurring as a result of enemy action the Civilian Defense would be the responsible agency. He informed the group that the Red Cross would cooperate to the fullest extent with Civilian Defense Committee.

Cyril C. Ryan, Director of Civil Defense in Freeport, outlined for the Disaster Relief Committee the progress of the Civil Defense program in this community and discussed the manner in which both groups could participate in the event of an emergency. He asked, for representatives from the Disaster Relief Committee to attend the meetings of the Civil Defense Committee. Mrs. Leon N. Swisher, chairman of the Freeport Red Cross Branch and Mrs. Howard Pehl, were designated.

Dr. Dodd conducted a tour through the church showing the lay-out and facilities, and explained that in the event of a local disaster Christ Church had been designated as the Red Cross shelter and information center. Mrs. Howard B. Pehl, vice chairman, outlined the system of alerting members of the Disaster Committee and the duties of the registration and information subcommittee. Mrs. Robert Ensko spoke on the equipment of the shelter committee and the method planned for housing and caring for the victims of a possible disaster. Mrs. Albert H. Kadena, Okinawa

Gentlemen,

We are the crew members of a B-29 aircraft flying in the Korean campaign. The other day we noticed an almost obliterated decal in the aft compartment. As near as we can make out, it states that our ship was built from funds made possible by your employees purchasing war bonds during World War II.

We got the ship at March Air Force Base, California, our home station, before coming to Okinawa. Her World War II record is reputed to be excellent.

Yesterday we flew our tenth mission of the Korean campaign. Except for a few flak holes picked up on our eighth mission, the "Old Gal" is as good as new.

We have come to develop a grand affection for the old "Crate #", and thought we would bring you up to date with her activities. As they say in the Air Force "She's a Goer".

The crew is:

Pilot- 1st Lt. Duane Ohmann, Minnesota
Co-Pilot- 2nd Lt. Carl Stoneking, West Virginia
Navigator- 1st Lt. Alton Reeves, Texas
Bombardier- 1st Lt. Joseph R. Taylor, New York
Radar Operator- 1st Lt. R.P. Bennett, Missouri
Flight Engineer- M/Sgt Harry Prather, California
Radio Operator- Sgt Jerome Stephenson, New York
Gunner- Sgt Philip Mantor, Oregon
Gunner- S/Sgt Durrell Lee, Florida
Gunner- Sgt George Tyler, Massachusetts
Gunner- Sgt LeRoy Reid, Ohio

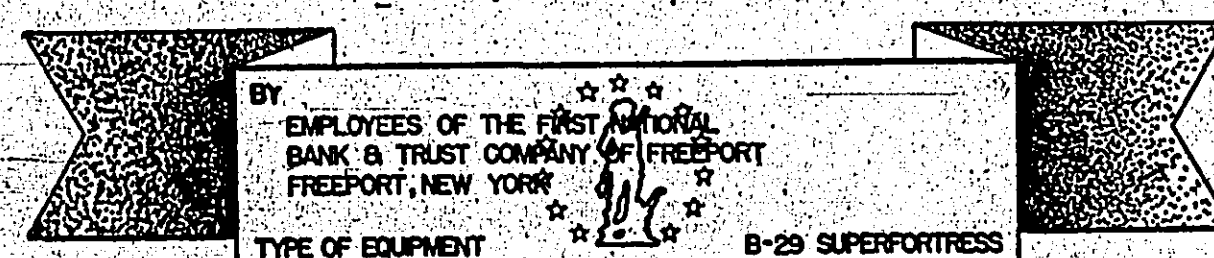

Hope your business is as good as we hope our job is quickly over.

Gentlemen:

Your letter signed by 1st Lt. Joseph R. Taylor and 1st Lt. R. P. Bennett, was a most thrilling one to receive.

In 1942, the citizens of Freeport, with the very active assistance of The First National Bank and Trust Company of Freeport, raised \$700,450, in War Bonds, for the purpose of buying planes and equipment. This was enough to purchase two heavy bombers, one light bomber and a fighter plane. As a result of a contest these were to be named "The Spirit of Freeport I", and "The Spirit of Freeport II", etc., in whatever order these ships happened to be christened. So it appears that at least one of these planes named "The Spirit of Freeport", is still in working order, and in the custody of your very capable hands.

There has been a good deal of activity on the home front, too, since "The Spirit of Freeport" first went to war. The former First National Bank and Trust Company of Freeport has merged with two other national banks on Long Island to become a part of The Meadow Brook National Bank.

We want you to know how much all of us connected with The Meadow Brook National Bank appreciate not only your letter, but the sacrifices that you are making in behalf of the cause which we all believe to be just and right. As a token of our gratitude and our feeling of kinship due to our mutual interests in "The Spirit of Freeport", I would like to take this opportunity to invite each and every one of you to be the guests of The Meadow Brook National Bank and the Village of Freeport on a four-day holiday as soon as your duties in the U. S. Air Force will permit. We want you to learn first hand that "The Spirit of Freeport" lives not only in the plane you fly, but also in the life of the community that gave you that plane.

In this connection, we have contacted local officials of the U. S. Air Force and requested their assistance in bringing you to Long Island so that you may enjoy the hospitality and friendship which we will be privileged to offer you.

Let me thank you once again for your exciting letter and let me assure you that The Meadow Brook National Bank and the community of Freeport, like the rest of the country, is 100 per cent behind you and your fellow fighters in the job that you are doing. We shall hope to hear from you again in the near future. Here's wishing you all a speedy return to the good old U. S. A., with the job well and quickly done behind you.

Sincerely yours,

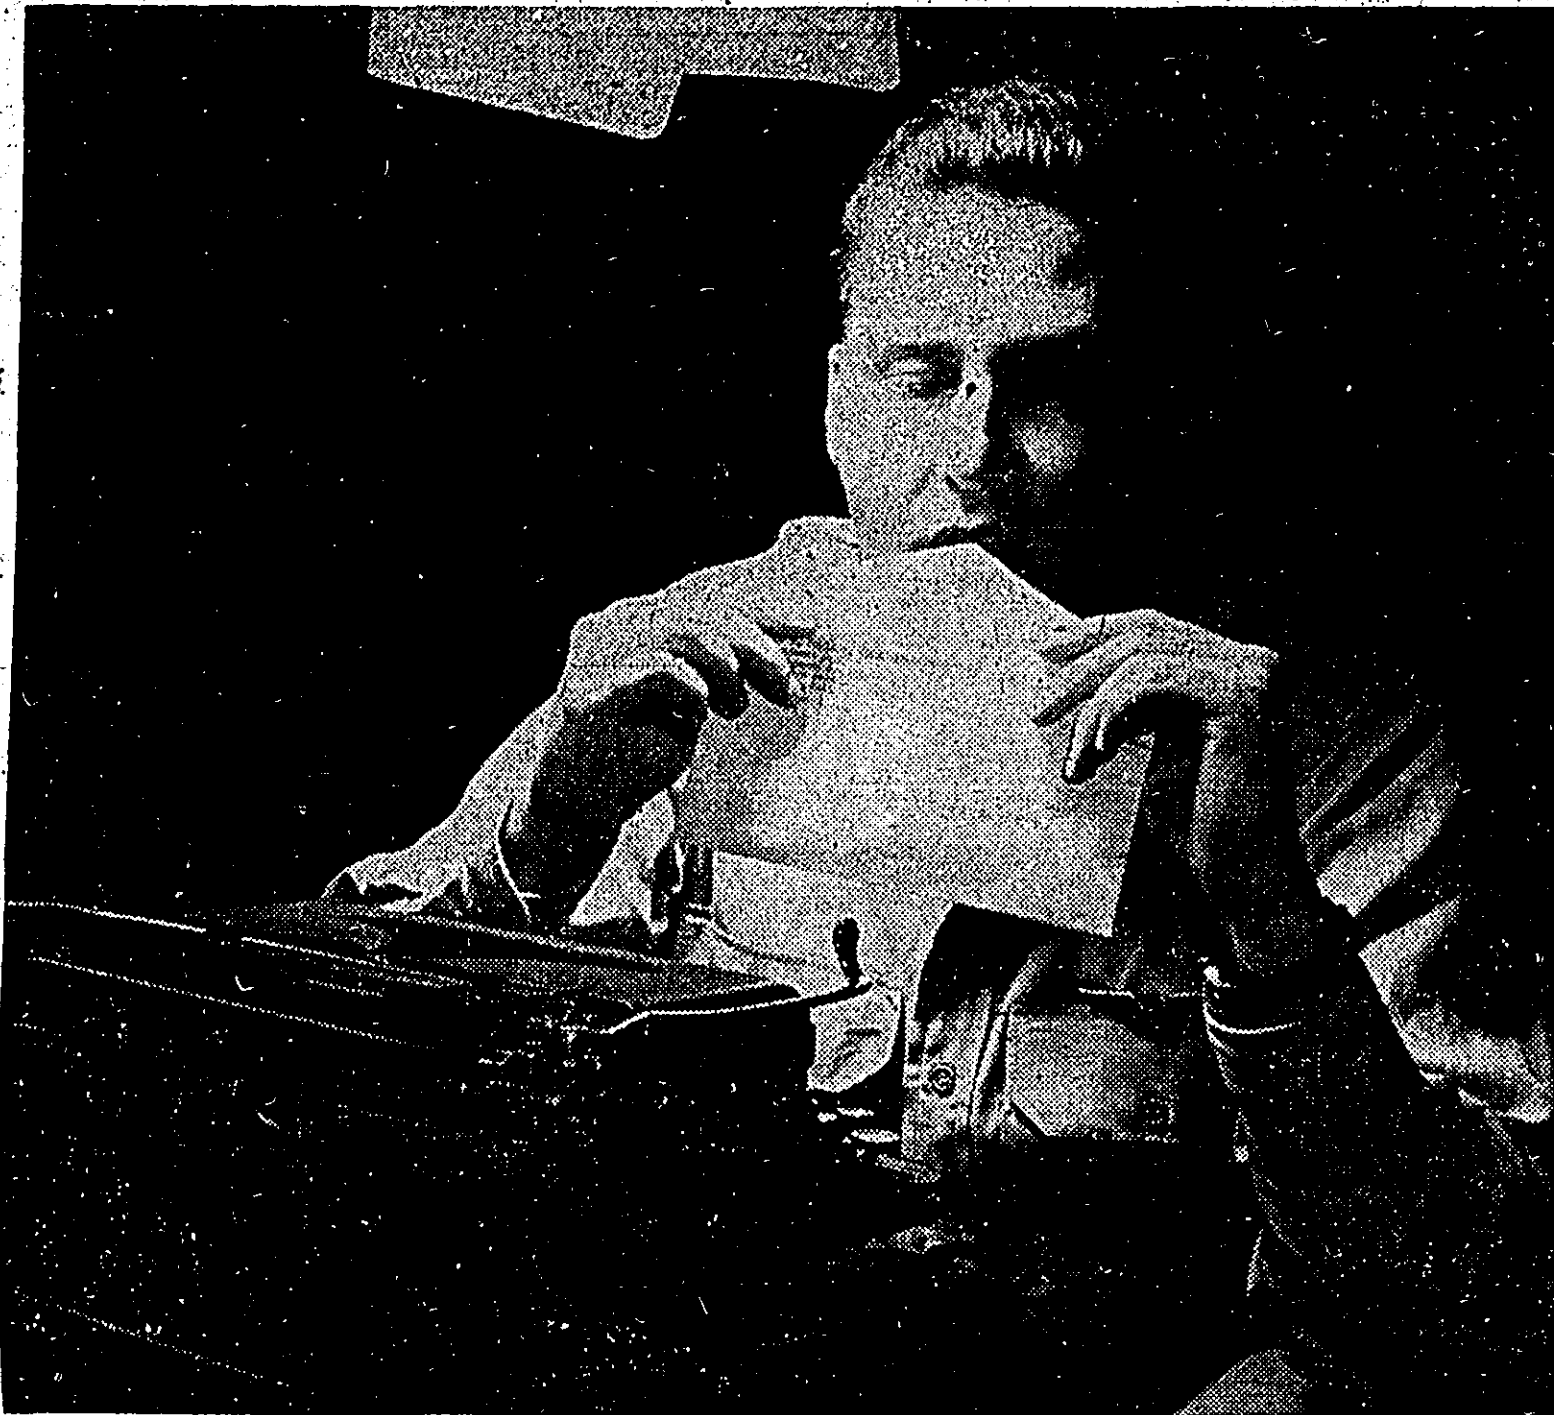

A. B. Weller

Mr. A. B. Weller, President

Dear Sir,

When we landed after our mission last night we received your letter of 25 August. Needless to say boat mail to Okinawa is rather slow. However, we certainly do appreciate your invitation and hope that we may take advantage of it very soon.

Thanks to you the Air Force has seen fit to let us fly "The Spirit of Freeport" to the home of its donors as soon as it is practicable.

We are all looking forward to this opportunity to thank you and the citizens of Freeport personally.

.....until then

We remain,

Ryan urges All to Aid Civil Defense Set-up

Addresses Meeting
Of Atlantic-South
Civics; Nominations

Though more than 3,000 persons have volunteered to assist in the Civil Defense set-up for Freeport, Oyril C. Ryan, the local director, appealed for still more in a talk before the members of the Atlantic-South Civic Association Thursday night in the South Shore Yacht Club. He declared the village must be prepared for any impending emergency, no matter how remote, so that everyone should have a part in some "C.D." activity.

"Help your village and you will help the entire county," he asserted. Chairman Ryan gave an outline of the Civil Defense organization with its various heads and said each branch would operate separately under its chairman. He spoke especially of the need of a proper evacuation organization to get the people from the city out east and into the states across Long Island Sound in the event of an attack on New York City. He said assembly areas would have to be provided in open spaces in such buildings as schools, churches and halls.

Mr. Ryan told of the appointment of Richard A. Hungerford, as chief air raid warden, with Charles J. Jessup as chief district worker for the northwest, Stuart K. Wallace for the southwest, John Hennemann for the southeast, Guy A. Russell for the northeast, Harry Baker for the business area, and Moxey Rigby for Bennington Park.

The speakers also urged Freeporters not to be hesitant about signing a loyalty pledge as a requisite for participating in Civil De-

The following slate of officers was submitted by the past presidents: Theodore R. Carle, for president; Gilbert B. Fletcher, for vice-president; Harry H. Zorger for recording secretary; Mrs. Hennemann for corresponding secretary, and Edmund Rosendahl for treasurer. Committee chairmen nominated were Frederick W. Welsh, membership; Frederick Cook, highways; George Roth, education; Fredwell H. Hopkins, planning; Franklin Frontiers, transportation; W. E. Watson, the retiring president, public relations; Samuel L. Israel, legal, and Victor C. Wade, program.

At the next meeting, Friday night, Nov. 18, a television set owned by the post, but recently replaced by a new one, will be sold at auction. Members of the Ladies' Auxiliary were the guests of the post and a commercial motion picture was shown. A spaghetti dinner, prepared by the women, was served at the close of the meeting.

Mrs. Emily Christ, legislative chairman, reported 90 cards urging them to support legislation providing for the establishment of training camps to be sent to members of Congress. Mrs. Florence Moore, cheer chairman, announced 10 get well cards were sent to 11 members since the previous meeting. The group donated 120 garments for the ingathering of the Freeport Branch of the Needlework Guild of America with \$15 for a layette. Mrs. Lucille Nicholson, president, reported the next 100 pads made at the last session with another bee scheduled for Tuesday night, Nov. 27.

A donation of \$25 was voted to the purchase of the entrance sign for the crew of the "Spirit of Annapore" during their stay here, and announcement was made that the color bearers of the auxiliary would attend a memorial service to be held at the Cathedral City Cathedral Sunday.

There the usual exercises sponsored by the veterans will be carried out to be followed by the extending of greetings to the 16 members of the crew of "The Spirit of Freeport," by Mayor L. Dossse, Joseph Greenblatt, president of the Chamber of Commerce; Irving Grebinar, head of the Merchants association, and Augustus B. Weller, president of the Meadow Brook National Bank. Members of the crew will be "formally adopted" by Freeport at a ceremony to be conducted by Judge Hilbert R. Johnson. Robert E. Patterson, chairman of the local bond drives during World War II will present each of the men a \$100 savings bond, a representative of the crew will make the acceptance speech, after which luncheon will be served at the East Point House to the flyers, members of the committee and the press who will be the guests of Guy Lombardo, the owner. Returning to the stadium the "Kids from Freeport," will root for the Red Devils to defeat Westbury in their annual clash on the gridiron.

Skip Ulip, playing his most outstanding game of the season, paced Freeport's Red Devils to their sixth straight win last Friday night, a 20-6 triumph over a strong Trenton High eleven at the New Jersey schools field.

Ulip was a power on offense and defense as he scored two tallies, passed to the third, and was constantly nailing Trenton ball-carriers. The initial Freeprest tally came the first time they got their hands on the ball. Runs by Marshall Rivera and Tony LoPresti carried to a first down on the Trenton 14. Ulip then carried the ball three times finally scoring from the three yard stripe. Tony Primavera booted the ball squarely between the uprights.

The second marker was set up by a pass from Ulip to Hank Notzger that gave Freeprest a first down on the Trenton nine. Three plays could only net one yard. However, on last down, Ulfed Joe Massone, Freeprest's stellar blocking back, clear in the line of scrimmage for the T.D. Primavera's placement

was blocked.

After Trenton has tallied to make the score 13-6, Hank Bandholz took Trenton's attempt at an onside kick. Trenton returned the kick to the Trenton 40 yard line. Here, or the first down, Skip Ulip, on a spinner play, faked to Rivers, then spun through the Trenton line 40 yards without a hand being laid on him. Primavera then made his total 14 out of 19 as he split the uprights.

Howie Waszner broke through the Trenton line three times to pin the home team's passers for deep losses. Hank Bandholz, Dick Camillucci, Billy Kenny and Dave Jones were also stalwarts on defense.

The ranks of the undefeated teams in Nassau County will be reduced to two this Saturday when unbeaten Freeport meets equally undefeated Westbury, while Baldwin and Mepham both maintaining unbeaten records will meet in the Baldwin gridiron. Mepham and Westbury are both at a physical disadvantage having played games on Election Day. Mepham still appears to have too many big guns for Baldwin to handle. The Bucs have Greg Maushart, the top scorer in Nassau County, and a terrific line back by Joe Marshall.

Westbury's lead is pulled by Dick Grotz, Charlie Shaw, Charlie Freeman and Gene Benedict. Westbury's leaders are Tom Nunziato and Joe Piscitelli.

PFGRENT MOKS—Because of the rain on Saturday last week's games were postponed until Sunday. The time of the games and the results were unknown and we cannot say how we made out on our predictions last week. The winner of the football contest will not be known until next week. We're sticking with Prepost this week. The winner of the basketball contest will be known by the end of the week. We're sticking with the team to down Westbury by a pair of millions. The winner of the baseball contest will be known by the end of the week. We're sticking with the team to down Chamaine and Glen Cove to run wild over Great Neck. In the other games, we see Hempstead notching its first win over Valley Stream, Elcksville edging Minerva, Rockaway edging the Bronx, and the River over Voodette.

EDITORIALS — Saturday is Armistice Day; a day that is symbolic of Peace, but, since the first day of mankind, Peace has been more elusive than War. We will be fighting for centuries to eliminate those who jeopardize good-will and peace. World War II was to be the war to end all wars, but apparently we have not exterminated all the vermin. They are still attempting to gnaw into the veins of free men. We must never stop the fight; but to fight means to sacrifice. The sacrifice is made by the youth of the democracies of the world, and the United States, always lead the rest of the world in these sacrifices. On November 11, 1945, Freeport will observe this National holiday with ceremonies at the Freeport Stadium. It will be a double celebration, because, on that day the crew members of "The Spirit of Freeport" will be the honored guests. Don't fail to attend these ceremonies Saturday morning at 10 a.m., and don't fail to help in making this affair an overwhelming success by contributing generously to the "Spirit of Freeport Fund" for so long as you support our visiting members of the fighting forces. A momentous vision that will be a true token of our appreciation. Send your contribution to **BILL GLACKEN, "Spirit of Freeport Fund" Chairman, Freeport.**

GROUP AND TO THE FREEPORT COMMUNITY COUNCIL . . .

Sam Israel, President of the Freeport Community Council, lends helping hand during chore-time at the Senior Group first get-together.

The Freeport Community Council deserves a vote of public appreciation from every resident of Freeport. This organization, which has always been so successful in accomplishing its goals, capped its enviable record by sponsoring a program of get-together parties for the senior age group of the community. Its initial launching on Tuesday afternoon, October 31st, was attended by more than forty people who spent an enjoyable evening getting acquainted, singing songs, playing games and exchanging news. The Times lists the names of the people who took in this age category and planned activity of this type is priceless. Thoughtful women of Freeport acted as hostesses, and generous merchants contributed their products to this worthy project . . .

All merchants and business, and industrialists are invited whether they are members or not. If you haven't received your invitation yet, call MRS. FLORENCE RAMSEY at 2-1000. This is the same Mrs. BILLY RAMSEY, who G.E.F.H. has so much confidence in Freeport's community spirit that he's picking up the check for the buffet and dance. EDITORIALS. . . . Television is without a doubt a good medium of recreation and advertising, and there is no question as to its being a great help to the thought to motion pictures. Movies bring romance to many drab lives; they bring adventure to those who dream during the hours of their mental work; they bring mystery to those who wish to enhance their every-day thought with mind-mundanoities; they bring testing proof of their thoughts to those who wish to test their brain-testing proof of their thoughts to those who wish to test their brain with real stories. Movies have done a great deal to educate the people of the world in every phase of life. They show mountain-tops how the city dwellers live; and they show the cosmopolitans, life in the rural areas. Motion pictures are the major and most often the only industry has never failed in co-operating with any charitable, civic, or governmental campaign. As they said that movies would replace the legitimate stage; so they will say that TV will replace the movies; and the legitimate stage. As they said that there is a definite and established place for the silver screen in the civilized way of life, and it will be positively a part of television.

Assessed Valuations Up Over \$2,000,000

The assessed valuation on which taxes are based for the Village of Freeport during the fiscal year 1951-52, is expected to be close to \$2,000,000 when the final figures are reached, Mayor Robert L. Dwyer announced at a seven-minute meeting of the Village Board in the Municipal Building Monday night. The total this year was \$480,000. This will mean an increase of more than \$2,000,000.

Trustee Leonard D. B. Smith, chairman of the finance committee, said that for Town and School taxes, the assessed valuation was fixed at \$50,900,000. However, this was based on values as of last spring. When the local assessor takes into consideration developments since that time the town figures will be considerably augmented, he added.

The monthly report of Superintendent of Buildings Wilbert P. Demott showed 14 permits for new buildings estimated to cost \$153,500 issued during October, with 13 others for additions and alterations amounting to \$17,150, making a total of \$170,650.

A letter of thanks was received from the Parent-Teacher Association of the Shubert School, Baldwin, for the action of the board in having "stop" signs installed on Pennsylvania ave., between Craig ave. and Maple dr. and Seaman ave., near Maple dr.

Towns' Teens

Freeport's football team did it again—this time with a win over Trenton-Central by a score of 20 to 8. Congratulations, boys. Keep up the good work! I guess it did not seem like much of a game to you with no band or cheerleaders or anything... but we were all thinking of you and wishing you the best of luck. The next two games will really be thrillers... Both teams—Westbury and Baldwin are undefeated.

The plans for the Junior Prom are going great—it will be held the day after Thanksgiving... Friday, November 24 in Columbus Ave. gym. Let's all support the Junior class—There won't be any prom unless the whole Junior class plus the Sophs and Seniors show their support.

The practice for "What a Life," this year's Senior play is progressing at a great rate... It really should be a terrific play... So don't forget to see it on Friday night, Dec. 2.

Congratulations to all the new members of the National Honor Society. The original members really did a grand job of the induction ceremony.

Are you a SCHOONK??? Take this test and find out... Answer all questions either yes or no...

1. Do you eat garlic on the subway?
 2. Do you count the pennies in the parking meters?
 3. Do you chew tobacco in church?
 4. Do you enjoy eating coffee beans?
 5. Do you take your lunch to work or do you walk?
 6. Do you eat celery during a silent movie?
 7. Do you collect shoes—for the left foot?
 8. Do you take the seeds out of seedless grapes before you eat them?
 9. Do you start to read a magazine from the back?
 10. Do you usually wear your coat backwards?

If you got less than five yeses—you, poor thing, are normal.
 If you got five no's and five yeses—you'd better see a psychiatrist.
 If you got eleven yeses—you can't even count.
 NEWS AND VIEWS OF F. H. S.
 Successful parties were held this weekend at JOY SIEGEL'S and IRENE GENNER'S... There still seems to be great interest in Baldwin for JOAN RISELEY... The eligible bachelors this year in the halls of F. H. S. are JOE MUNO, PETER LOONAM, WAYNE MARSHALL and GEORGE RIEFENSTALH... Glad to see that CAL FOLETTE and DORIS JEAN BIRK have announced their engagement... Congratulations... Well I can't think of anything else to say so—
 SEE YOU AROUND...
